

Housing Partnerships, Inc.

The mission of Housing Partnerships, Inc. (HPI) is to repair or replace substandard housing in the City of Williamsburg, James City County, and York County Virginia. Our unique strength is the true partnership between communities, volunteers and our neighbors in need to achieve the goal of safe, warm, and dry housing.

Since 1985, HPI has recruited over 30,000 volunteers, worked 182,000 hours, rehabilitated 2200 houses, and built 46 new houses.

Providing Indoor Plumbing for Everyone

In November 2007 located within the Historic Triangle there were 82 homes lacking basic indoor plumbing. Thanks to the efforts of the members of the Leadership Historic Triangle (LHT) Class of 2007 and Housing Partnerships, Inc there are fewer homes lacking this basic necessity. The project, appropriately named PIPE-Providing Indoor Plumbing for Everyone –aims to keep raising money to help provide gap funding for projects that are not fully covered by available state funds. Today, we still have homes within the Historic Triangle that are in need of this program.
